WHAT IS COSMIC CONSULTING & VISION STRATEGY?

This is the high temple of vision, where business meets myth, and strategy meets synchronicity. It's not just about planning your next move; it's about aligning with the right move, at the right time, in the right story.

Through a fusion of archetypal consulting, astrological insight, and mythic storytelling frameworks, we uncover the hidden structure behind your ideas and shape them into clear, elegant, and soul-aligned action.

Whether you're launching a new brand, aligning a team, or re-envisioning your entire body of work, this chamber offers both deep insight and high-level perspective.

I. BUSINESS VISIONING + CREATIVE DIRECTION

Essence:

Big-picture clarity, rooted in soul-aligned power.

What this includes:

- Visioning sessions using narrative + symbolic tools
- Creative project mapping and prioritization
- Multi-offering business architecture
- Long-term creative path support (3–6–12 month arcs)

Astromic Angle:

In the Astromic lens, your business is a living myth. We help you stand at the center of the spiral—seeing how each offering is part of a larger evolutionary story, and aligning your decisions with the core archetype you're here to embody.

2. ARCHETYPAL + ASTROLOGICAL BRAND ALIGNMENT

Essence:
Your brand, in cosmic resonance.

What this includes:

- Chart analysis for brand timing, purpose, and voice
- Planetary archetypes as brand mentors
- Archetypal storytelling aligned with natal placements
- Brand evolution through key transits or cycles

Astromic Angle:

Your birth chart is your brand's original mythos. We use planetary insight and mythic frameworks to reveal which archetypes are guiding your message—and how to align your timing, tone, and offerings with your soul's actual curriculum.

3. NAMING AND SYMBOLIC DECODING

Essence:
Discover the spell your brand is already casting.

What this includes:

- Symbolic analysis of current names, visuals, or narratives
- Recommendations for resonance refinement
- Naming sessions guided by archetypal alignment
- Creation of internal naming systems for offerings, phases, or brand lore

Astromic Angle:

Every name, every symbol, every choice is already whispering a message. We decode what your brand is unconsciously saying—and help you shape that into intentional, magnetic resonance. It's semiotics meets sacred myth.

4.

STRATEGIC PLANNING FOR LAUNCHES, EVENTS, OR OFFERINGS

Essence:

Move forward with rhythm, intention, and impact.

What this includes:

- Launch mapping (archetypal story arc format)
- Timing guidance (including astrological support)
- Messaging milestones and brand buildup
- Energetic pacing and audience engagement strategy

Astromic Angle:

We don't just plan—we choreograph. Your launches become initiations. Your events become myths unfolding in real time. And your audience feels the heartbeat of something greater guiding them.

5.

CREATIVE TEAM LEADERSHIP & ALIGNMENT

Essence:

Lead with myth. Align through meaning.

What this includes:

- Team archetype mapping (roles, dynamics, conflicts)
- Shared language creation and symbolic culture development
- Creative direction support for internal or collaborative teams
- Vision stewardship for long-term impact

Astromic Angle:

When a team aligns on myth—not just on deliverables, coherence deepens. You become more than collaborators; you become characters in the same unfolding epic. This is leadership through story, soul, and synergy.
